

Attention ALL Farmington Home Owners!
**TOWN OF FARMINGTON'S
HOUSING REHABILITATION PROGRAM**

The Town of Farmington is accepting applications for its Small Cities Housing Rehab Loan Program, which would provide financial assistance to both owner occupants and investor owners who may apply and receive financial aid.

Loans would be available at no or low interest rates to repair/replace roofs, plumbing, electrical, heating system replacement siding and window replacement, and general rehabilitation and renovations needed to upgrade the Town's

housing stock. Projects such as family room additions, decks, etc. are not permitted under this program.

Although specific income eligibility is based on household size, a household of two

with income of less than \$51,550 or a family of four with a gross annual income below \$64,400 would be eligible for program participation. Both owner occupants and investor owners may apply and receive financial aid, but rental units must be maintained as affordable for at least five years after rehabilitation if they participate in the program.
