Public Information Officer

Press Release

To: Group Media

From: Lieutenant Marshall Porter: 860-675-2446

Date: Animal Cruelty case

On 7/21 at approximately 1:45 p.m. Farmington Police investigated citizen reports of a dog in apparent distress on Two Mile Road at Batterson Park Road. The animal appears to have been abandoned in a crate adjacent to a wooded area. The dog was able to break its way out of the crate after an unknown period without food or water, suffering leg injuries in the process. The animal was transported to veterinary treatment for those and other injuries and is expected to recover. The dog is a female red and tan miniature pinscher with a tan flea collar, and is pictured below. Any person with information is asked to contact Farmington Police Animal Control Officer Charlene Rogers at (860)-675-2440.
