All work customarily performed by employees of the bargaining unit shall continue to be so performed unless in the sole judgment of the Town it can be done more economically or expeditiously otherwise;
- h. To take any action which the Town reasonably believes is necessary to comply with any legal requirement regardless of the restrictions imposed by any terms and conditions of this Agreement.

Section 7.1. The above rights, responsibilities and prerogatives are inherent in the Town by virtue of statutory and charter provisions and are not subject to delegation in whole or in part.

**ARTICLE 8

It is understood that an employee’s work assignments may include responsibilities or duties that are not specifically listed as a part of the job specification, but which are related duties and responsibilities that could normally or reasonably be expected to be required in accordance with the overall job description.

Section 8.1. To be considered for reclassification, an employee must demonstrate that he/she has been consistently and regularly performing duties in a competent manner significantly different from those of his/her designated position, and/or that such duties are within a higher classification. An employee shall submit a request for reclassification in writing to the Town Manager, stating the reasons for the request, the specific classification requested, and any supporting documentation.

Section 8.2. Written requests for reclassification must be made by the employee to the Town Manager prior to January 1 of each year. The Town Manager will respond back to the employee by April 1 following such a request.

Section 10.0. Any member of the bargaining unit shall be permitted to examine and copy all materials in his/her personnel file. The Employer reserves the right to require its designee to be present while such file is being inspected or copied. The Union may have access to any employee's records consistent with law.

Section 10.1. No disciplinary action shall be placed in an employee's file unless the employee has had an opportunity to sign it and has received a concurrent copy. If the employee refuses to sign, management will make a notation of refusal in the file.

Section 10.2. No item shall be placed into an employee's personnel file without prior notification of such employee.

ARTICLE 11
Evaluation

Section 11.0. Employees shall be evaluated annually by their supervisor. Probationary employees shall be evaluated more regularly during their probationary period. Following the written completion of the form, the supervisor shall meet privately with the employee to review and discuss such evaluation. The evaluation shall not be considered complete until both the evaluator and the employee have signed the form. The employee must sign the form to acknowledge receipt of same; failure to do so may result in disciplinary action. The employee may also indicate his or her disagreement with one or more aspects of the evaluation, by attaching a written statement (with supporting documentation as applicable) to the evaluation form no later than five working days after the face to face meeting. Both the evaluation form and the written statement, if any, will be filed in the employee's personnel file.

ARTICLE 12
Probationary Period

Section 12.0. Employees appointed to a regular position or promoted to a new classification shall be required to successfully complete a probationary period which shall be of sufficient length to enable the department head or Town Manager to observe the employee's ability to perform the principal duties pertaining to the position. The probationary period shall begin immediately upon appointment or promotion and shall continue for six (6) months for promotions and twelve (12) months for new employees. Any leave or period of worker's compensation in excess of four (4) working days shall be excluded from the time counted as probationary period.

Section 12.1. At any time during the probationary period, the Town Manager, in his/her sole discretion, may terminate an employee if the working test indicates that such employee is unable or unwilling to perform the duties of the position satisfactorily or that

the individual's work habits and dependability do not merit continuance in the position. Such action shall be in writing to the employee. Such discharge (or prior disciplinary action) shall not be subject to the grievance and arbitration provisions of this Agreement.

ARTICLE 13 Disciplinary Procedures

Section 13.0. No employee covered by this agreement shall be disciplined except for just cause. Disciplinary action shall normally follow this progression:

1. Verbal warning with notation in writing
2. Written warning
3. Suspension without pay
4. Discharge

Any of the above steps may be omitted depending on the severity of the offense committed and the discipline required. All disciplinary action shall be applied in a fair and equitable manner and shall be consistent with the infraction for which the disciplinary action is being applied.

Section 13.1. Other than in the case of probationary employees discipline may be appealed under the grievance procedure of this agreement. Discipline below the level of a written warning will not be subject to the grievance arbitration process, as described in Section 14.6.

Section 13.2. Written warnings and reprimands shall remain a part of an employee's personnel records in accordance with the State Record Retention Schedule.

Section 13.3. Whenever it becomes necessary to discipline an individual employee, such discipline shall take place in private.

Section 13.4. Grievances concerning warnings and reprimands will be submitted at Step 1 of the grievance procedure. All grievances concerning suspension and discharge will be submitted at Step 2.

Section 13.5. An employee who is being interviewed concerning an incident or action which may subject him/her to disciplinary action shall be notified of his/her right to have a Union delegate present.

ARTICLE 14 Grievance Procedure

Section 14.0. The purpose of the grievance procedure shall be to settle employee grievances at as low an administrative level as is possible and practicable, so as to insure efficiency and employee morale.

Section 14.1. A grievance for the purpose of this procedure shall be considered to be an employee complaint concerned with:

Section 14.2. Discharge, suspension, or other disciplinary action above a verbal warning that is not reduced to writing.

Section 14.3. Matters relating to the interpretation and application of the articles and sections of this Agreement.

Section 14.4. Step One: In the event an employee has a grievance he/she shall have a Union representative reduce the grievance to writing and submit it within ten (10) working days of the date of the occurrence to the head of the department, who shall use his best efforts to settle the dispute. The department head's decision shall be submitted in writing to the aggrieved employee and his representative within ten (10) working days of receipt of the grievance.

Section 14.5. Step Two: If no agreement is reached with the decision rendered by the head of the department, the employee and her/his representative shall submit the grievance in writing within ten (10) working days to the Town Manager. Within ten (10) working days after receiving such grievance, the Town Manager shall render his decision in writing to the aggrieved employee and his representative.

Section 14.6. Step Three: If no agreement is reached with the decision rendered by the Town Manager, the Union may submit the grievance to arbitration to the Connecticut State Board of Mediation and Arbitration ("Board") within fifteen (15) working days after receipt of the written decision of the Town Manager or if mediation services are used, within fifteen (15) working days after the conference with the State Mediator, and the decision rendered by the arbitrator or arbitrators shall be final and binding upon both parties.

Section 14.7. Time Extensions: Time extensions beyond those set forth in this grievance procedure may be arranged by mutual written agreement of both parties. If a grievance is not processed in accordance with the time requirements it shall be deemed settled on the basis of the answer provided at the last step to which the grievance was processed in a timely manner.

Section 14.8. The arbitrator shall have no power to add to, delete from, or modify any provision of the Agreement.

ARTICLE 15

No Lockout-No Strike

Section 15.0. The Town agrees that it will not lock out the employees covered by this agreement during its term.

Section 15.1. The Union and the employees expressly agree that there will be no strikes, slowdowns, picketing, work stoppages, mass absenteeism, mass feigned illness or other similar forms of interference with the operation of the Town.

Section 15.2. The Union shall exert its best efforts to prevent or terminate any violation of the preceding paragraph of this Article.

ARTICLE 16 Tuition Reimbursement

Section 16.0. The Town will reimburse all employees for the cost of education courses, in accordance with the Manager's Policy and Procedures, *Tuition Reimbursement* (MPP 8704).

ARTICLE 17 Professional Development

Section 17.0. The Town will encourage professional development through training and membership in professional organizations. The department head must authorize attendance at programs and all membership; all associated costs are contingent on budget and department head approval.

ARTICLE 18 Seniority

Section 18.0. Seniority shall be defined as an employee's length of continuous service with the Town from the first day of work since his or her most recent date of hire. Employees who successfully complete their probationary term shall immediately accrue seniority from their date of hire.

Section 18.1. An employee's seniority shall be deemed broken if he: resigns; retires; is discharged for cause; takes an unapproved leave of absence; fails to report for work within 10 working days after notification of recall to a position which provides their former salary at time of layoff.

Section 18.2. An employee's seniority shall be deemed suspended but not broken if they take approved leave of absence for more than 90 calendar days unless such leave is in conjunction with military service or jury duty.

Section 18.3. An employee's seniority shall not be lost or suspended because of absence due to illness, workers compensation, vacation, and layoff. The term layoff means the involuntary separation from employment because of lack of work or funds, elimination of the position or other legitimate reason. The term layoff shall not include demotion or cases where an employee is promoted but does not successfully complete the probationary period for the new classification.

Section 18.4. If a situation arises where a position is discontinued or abolished within the classification in a department containing more than one member of the union due to a change in duties, reorganization, lack of work or lack of funds, employees in that department will be laid

off in the following order: temporary and seasonal workers; probationary employees; employees in accordance with their seniority provided the employee retained is capable of performing the work of their newly assigned position (the employee with the least seniority will be laid off first.)

A permanent employee with a satisfactory employment record who is laid off from employment in the Town shall be placed on an appropriate re-employment list for the classification that they held at the time of lay-off. The name of any employee on the re-employment list shall remain on such list for a period of eighteen months provided that such employee does not refuse a reappointment to a comparable regular/non-temporary position and provided such employee does not request removal of their name from the re-employment list. For the purpose of this section, failure to respond to a written offer of recall within fifteen working days of the date on which it is issued by the Town Manager shall constitute a refusal of appointment. When an employee is to be recalled in a classification, the first to be offered recall shall be the employee in that classification who has the greatest seniority.

Section 18.5. The Town will provide the Union annually with a seniority list containing names, addresses, classifications, current wage and dates of hire for all employees in the Union. If the Union discovers any errors in said list it shall notify the Town and upon verification the Town shall correct the error.

ARTICLE 19 Hours of Work

Section 19.0. Non-exempt employees shall normally work 35 hours per week plus one hour per day for lunch unpaid Monday – Friday 8:30 a.m. to 4:30 p.m. as their regular workweek. Some positions may work a non-traditional work week with hours as established by mutual agreement. It is expected that exempt employees covered by this agreement (currently including, Civil Engineer, Senior Center Coordinator, Assistant Town Planner, Social Worker) shall normally work a minimum of thirty-five (35) hours per week and shall work as many hours as may be required to satisfactorily perform their job duties.

Section 19.1. Non-exempt positions that are assigned pagers for the purposes of callbacks for Town of Farmington emergencies shall be compensated at the appropriate rate of pay for the total hours worked beyond their regular schedule, calculated from the time they are notified of their specific assignment by the Town.

Section 19.2. Non-exempt employees shall be paid their regular straight time hourly rate for all hours worked in any workweek up to forty (40) hours per week. Non-exempt employees shall be paid at a rate of time and one-half for all hours actually worked in the workweek in excess of forty (40) hours. No employee shall work beyond their regular workweek without the express permission of their supervisor or Department Head.

Section 19.3. The Town and the Union agree that flex time may be utilized by employees per approval of the Department Head.

Section 19.4. Employees may record on time sheets and the Town will maintain a record of employees' hours worked in excess of their regular workweek. Non-exempt employees may elect to accrue compensatory time in lieu of overtime, however for hours worked over forty in a work week, compensatory time must be accrued in an amount equal to time and one-half. Any and all use of recorded compensatory time must be approved by the Town Manager or his/her designee considering issues such as coverage, workload and other legitimate operational reasons. Compensatory time for non-exempt employees must be used within six months of its being earned, or it will be paid out. The Town reserves the right to pay out compensatory time earned by non-exempt employees at any time. Recorded time for exempt employees will only be available on a fiscal year basis and will expire each June 30.

Section 19.5. For the purposes of calculating overtime, hours such as vacation, personal, sick and holidays, shall be included in such calculations as hours worked.

ARTICLE 20

Holidays

Section 20.0. The following holidays shall be observed by all employees covered by the collective bargaining agreement:

New Year's Day	Veteran's Day
Martin Luther King Day	Thanksgiving Day
President's Day	Friday following Thanksgiving
Good Friday	Christmas Day
Independence Day	Labor Day
Memorial Day	Floating Day (not cumulative)
Columbus Day	

Section 20.1. Holidays falling on Saturday will be observed on Friday; holidays falling on Sunday will be observed on Monday.

Section 20.2. If an employee is on vacation or sick leave when a holiday occurs, the day will be considered a holiday, not a vacation or sick leave day.

ARTICLE 21

Vacations

Section 21.0. An employee shall be required to obtain from his/her Department Head permission to take specific vacation days. Within departments vacation periods shall be approved according to seniority. Vacation periods exceeding ten (10) consecutive working days must be authorized by the Town Manager or their assistant. No reasonable request for such vacation period shall be denied, except if the absence of the employee at that time is inconsistent with the needs of the Town.

Section 21.1. Employees who were hired prior to June 1988 shall have vacation time credited to them on July 1 annually; all others shall have their vacation time credited to them on the anniversary date of hire.

Section 21.2. Employees shall receive the following annual vacation based on years of service completed on their anniversary date of employment.

Length of Service	Vacation Days
6 months through 1 year	5
1 year through 4 years	10
5 years through 9 years	15
10 years through 15 years	20
16 years	21
17 years	22
18 years	23
19 years	24
20 years or more	25

The Town Manager is authorized to provide additional annual vacation days when negotiating with a potential new hire in order to provide vacation leave benefits commensurate with the potential new hire's past work experience which the employee brings to their assignment. The Town Manager will notify the Union of any such deviation that may occur.

Section 21.4. Full vacations are expected to be taken each year. The maximum accumulated vacation time which an employee can carry over from anniversary year to anniversary year is five (5) days unless special arrangements are made in advance with the Town Manager.

Section 21.5. When an employee becomes ill while on vacation, he shall not be charged for a vacation day during the time he is sick; such time will be charged as sick time when verification is made with a physician's note.

Section 21.6. Employees may take vacation time in increments of not less than one-half hour.

Section 21.7. Employees may request advanced vacation pay provided such request is submitted to the Finance Department at least two (2) weeks before the start of vacation.

ARTICLE 22

Sick Leave

Section 22.0. Sick leave shall not be considered as an entitlement, which an employee may use at his/her discretion. An employee may be absent from work with pay only during such period as actual illness or injury prevents him from performing his duties. Sick leave may also be used for medical appointments due to sickness or to take physical examinations or other sickness prevention measures that cannot be scheduled outside of normal work hours. Sick leave may be used in no less than one half-hour (30 minutes) increments. Authorized absence under this Article will include the situation when a member of the employee's immediate family is so ill as to require the employee's presence at home. Family sick days shall be limited to 5 days per fiscal year. Sick leave does not apply in cases where an employee's presence may be required at home for other reasons, including but not limited to childcare, family emergencies not involving illness or for assisting a spouse who is not ill. Any absences for these reasons must be charged against other accrued paid leave time, as applicable. They may also qualify for unpaid Family and Medical Leave (See Section 22.3).

Sick leave will only be approved for time off taken after the birth of a child in cases where (1) the employee is pregnant or has given birth – sick leave will apply for the period of incapacity caused by the pregnancy and/or birth; (2) a member of the employee's immediate family (spouse, child etc) is "so ill as to require the employee's presence at home". The Town may require the employee to submit an FMLA medical certification to substantiate the need for sick leave.

Sick leave will not be approved for time off spent attending a family member's medical appointments unless the leave has already been approved because the family member is "so ill as to require the employee's presence at home". In other words, employees may not apply sick leave for absences due to attendance at routine medical appointments of family members.

Section 22.1. Each absence will be supported by a physician's statement if the absence exceeds three days unless the illness or injury is of such a nature that the Town waives the furnishing of a physician's statement. If the Town believes, in its discretion, that any employee is abusing sick leave, it may require a doctor's certificate or other proof of illness at any time. To have an absence counted as a day of sick leave, an employee shall notify an appropriate person within his/her department of his illness no later than one half hour before his/her normal time for reporting to work.

Section 22.2. Sick time will be available up to one year as needed, at which point long term disability insurance will be applied for eligible employees.

Section 22.3. The Family and Medical Leave Act

The Family and Medical Leave Act (FMLA) provides up to 12 weeks of unpaid, job-protected leave every calendar year to eligible male and female employees for certain family and medical reasons. The Family and Medical Leave Act is granted for any of the following reasons:

- To care for the employee's child after birth
- Following placement of a child with the employee for adoption or foster care
- To care for the employee's immediate family member (spouse, child or parent) who has a serious health condition;
- For the employee's own serious health condition that requires inpatient or outpatient care;
- To care for the serious illness or injury of a covered service member who is the spouse, child, parent or next of kin of an employee (up to 26 weeks during a single 12 month period); and
- For a qualifying exigency.

To care for the employee's child after birth the employee is entitled to 12 weeks of unpaid leave in accordance with the Family and Medical Leave Act. Such leave must be charged to accrued vacation leave or earned leave, to the extent the employee has accrued those days. To the extent that the female employee is incapacitated, she shall charge her FMLA leave against such accrued sick time, vacation leave, or earned days, to the extent she has accrued those days.

Following placement of a child with the employee for adoption or foster care the employee is entitled to 12 weeks of unpaid leave in accordance with the Family and Medical Leave Act. Such leave shall be charged to accrued vacation leave or earned leave, to the extent the employee has accrued those days.

To care for the employee's immediate family member (spouse, child or parent) who has a serious health condition (including a condition that results from giving birth or the illness/injury of a covered service member), an employee may charge a maximum of seven (7) days of FMLA leave against sick leave, to the extent an employee has accrued, unused sick leave. Once the seven days of sick leave is exhausted, an employee shall charge additional FMLA leave against his/her accrued vacation leave or earned days, to the extent the employee has accrued those days. Once the accrued vacation and earned leave is exhausted, the remaining absence as permitted by FMLA shall be charged to sick leave, to the extent the employee has accrued those days.

An employee may reserve a maximum of five days vacation leave for future use, to the extent the employee has accrued those days.

For employees whose spouse, child or parent is on active duty and experiences a qualifying exigency, the employee may charge FMLA leave against his/her accrued vacation leave or earned days, to the extent the employee has accrued those days. A qualifying exigency is defined as: (1) short notice deployment; (2) military events and related activities; (3) childcare and school activities; (4) financial and legal arrangements; (5) counseling; (6) rest and

recuperation; (7) post-deployment activities; and (8) other activities which arise out of the covered military member's active duty or call to active duty status that the employer and employee agree qualify as an exigency and agree as to the timing and duration of such leave.

For the employee's own serious health condition that makes him/her unable to perform the essential function of his/her job and requires inpatient or outpatient care, an employee shall charge his/her FMLA leave against accrued sick leave, vacation leave or earned days, to the extent the employee has accrued those days

Section 22.4. If an employee is absent from work because of injury sustained in the course of her/his work for which she/he is entitled to compensation under the Workers' Compensation Act, the Town shall pay to the employee during the period of disability, not to exceed six (6) months, an amount equal to the difference between the employee's average salary and the amount of Workers' Compensation received by the employee, adjusted for tax withholding. Lump sum Worker's Compensation payment for indemnification to the employee for permanent injuries received by her/him shall not be paid over or assigned to the Town.

ARTICLE 23

Other Leave Time

Section 23.0. Perfect Attendance Days. In addition to holidays and vacations herein provided, if an employee shall have perfect attendance for ninety (90) consecutive calendar days, he shall receive an extra day off, with pay, up to a maximum of four (4) days per year. Absence for vacation leave and funeral leave will not mar otherwise perfect attendance; absence for sick leave, suspension or tardiness will mar perfect attendance. Perfect attendance days are to be taken by the employee within one year from the date of accrual, and shall be used in increments of not less than thirty (30) minutes.

Section 23.1. Personal Time. Each member of the bargaining unit is entitled to 8 hours of personal time per year. This time is not cumulative and must be used by July 1 of each year, and shall be used in increments of not less than thirty (30) minutes.

Section 23.2. Funeral Leave. In the event of the death of an employee's spouse, father, mother, father-in-law, mother-in-law, sister, brother, child, step-child, step-father, step-mother, step-brother, step-sister, grandparents, son-in-law, daughter-in-law, or grandchild, or any member of the household regardless of relationship, an employee may have time off to attend to arrangements and attend the funeral not exceeding four (4) working days. Such leave is not charged against sick leave.

In the event of the death of an employee's brother-in-law, sister-in-law, aunt or uncle, niece or nephew an employee may have one calendar day to attend the funeral without loss of regular pay. Such day off shall not be charged to sick leave.
