WHEREAS, according to the U.S. Census Bureau, an accurate census count is critically important to our future because it:

- Determines the number of seats each state has in the U.S. House of Representatives,
- Defines congressional and state legislative districts, school districts and voting precincts,
- Determines the annual allocation of \$675 billion dollars in federal funding,
- Determined that Connecticut received \$10,726,609,427 in FY 2016 in federal funding guided by the 2010 Census and failure to accurately count a person would cost our state \$2,900 per person per year,
- Determines Connecticut's funding for Medicaid, SNA P, Highway

Planning, Section 8 Housing, Special Education Grants, S-C HIP, Title I Grants, National School Lunch Program, WIC, Head Start, Foster Care, Health Center Programs,

- Provides insight to governments, business and community planning groups for planning purposes,
- Provides population benchmarks for nearly every other United States survey; and

WHEREAS, the Census Bureau collects information to produce statistics and personal information collected by the Census Bureau cannot be used against respondents by any government agency or court; so

THEREFORE, BE IT RESOLVED that the Town of Farmington educate its citizens and encourage its residents to respond to the Census Bureau count because our future depends on an accurate count."
