

TOWN OF FARMINGTON
INLAND WETLANDS COMMISSION

June 24, 2020

SITE WALK

299 Colt Highway

The site walk began at approximately 5:30pm.

Present were Commissioners Berlandy, Fox, Isner, Hannon and Tulin and Assistant Town Planner Rutherford.

Assistant Town Planner Rutherford oriented the Commission members to the property with respect to the proposed garage location. Using the existing parking field and the site plan as reference the location of the proposed garage was reviewed. It was noted that it is likely that two trees will be removed, and an existing catch basin will be changed from a Type C to a Type C-L. The existing stormwater quality unit will remain as currently installed.

The site walk ended at 5:50pm
