

Financial Assistance Eligibility Application Form

The Recreation Division of the Farmington Community and Recreation Services Department offers a variety of programs for all ages throughout the year. These programs are open primarily to Farmington residents and their children. As many of these programs are set up on a self-sustaining basis, arrangements have been made to allow persons who otherwise could not afford to participate, an opportunity to register at a discounted rate.

A Farmington resident whose income is below 200% of the Federal Income Poverty Guidelines as published by the Department of Health and Human Services and verified by the Town of Farmington's Division of Social Services will be eligible to receive up to a 75% discount on the fees for a maximum of \$150.00 per child/per year. Residents above that income level may qualify for either 25% (\$100.00 per child/per year) or a 50% (\$125.00 per child/per year) discount.
