Farmington, CT 06032

Hello,

You are receiving this letter because a portion of your town is located within the Connecticut Water Company's public water supply aquifer and/or watershed area.

As required by Sections 8-3i and 22a-42f of the Connecticut General Statutes, all applicants before a town board for any project within a public water supply aquifer and/or watershed area are required to notify a water company of any such proposed project by certified mail no later than 7 days after the date of the application, provided a map showing the boundaries of the aquifer and/or watershed area has been filed on the land records. Please contact me if a map of these boundaries has not been filed on the land records.

Enclosed, please find our updated Project Notification Form, which is required for applications for projects within our aquifer or watershed areas. Please direct applicants to send completed forms to Jessica Demar, Environmental & Regulatory Compliance Coordinator, Connecticut Water Company, 93 West Main Street, Clinton, CT, 06413.

On behalf of our Water Resources and Source Protection team at CT Water, we look forward to working with you to ensure our critical public drinking water supplies are adequately protected.

Please don't hesitate to contact me with any questions or concerns at 860-664-6190 or jdemar@ctwater.com.

Sincerely,

Jessica Demar

Jessica Demar
Environmental & Regulatory Compliance Coordinator

**Public Water Supply Watershed or Aquifer Area
Project Notification Form**

Requirement:

All applicants before a municipal Zoning Commission, Planning and Zoning Commission, Zoning Board of Appeals, or Inland Wetlands Agency for any project located within a public water supply aquifer or watershed area are required by Section 8-3i and Sec. 22a-42 of the CT General Statutes to notify Connecticut Water Company of the proposed project by certified mail not later than 7 days after the date of the application. The notice should be sent to: Jessica Demar, Environmental & Regulatory Compliance Coordinator, Connecticut Water Company, 93 West Main Street, Clinton, CT 06413 by Certified Mail, Return Receipt.

General Information:

1. Location map of the project site (please show enough information to locate site).
2. Site plans, including soil erosion and sediment control plan, which have been submitted to the town commission for review.
3. Project address _____
4. Total acreage of project site _____
5. Existing land use _____
6. Description of proposed project _____

7. Acreage of area to be disturbed including structures, additions, paving, and soil disturbance _____
